**PUBLIC WORKS AND SAFETY
STANDING COMMITTEE MINUTES
Monday, June 17, 2019**

The meeting of the Public Works and Safety Standing Committee was held on Monday, June 17, 2019, at 5:00 p.m., in the 5th Floor Conference Room of the Municipal Office Building. The following members were present: Commissioner Bynum, Chairman; Commissioners Philbrook, Markley, Kane, Johnson and BPU Board Member Groneman. The following officials were also in attendance: Gordon Criswell, Melissa Sieben and Emerick Cross, Assistant County Administrators; Misty Brown, Deputy Chief Counsel; James Bain and Kathryn Devlin, Assistant Counsel, Dave Clark, Project Engineer, John Droppelmann, Deputy Chief/Fire Marshal, Jeremy Rogers, Director of Parks & Recreation; and Angel Obert, Recreation Division Manager.

Chairman Bynum called the meeting to order. Roll call was taken and all members were present as shown above.

Chairman Bynum said there is one revision on tonight's agenda. Item No. 3 has been added which is a request to construct a national fitness court at Fisher Park.

Approval of standing committee minutes from April 22, 2019. **On motion of Commissioner Kane, seconded by Commissioner Markley, the minutes were approved.** Motion carried unanimously.

Committee Agenda:

Item No. 1– 19791...RESOLUTION: 131ST & LEAVENWORTH ROAD IMPROVEMENTS FOR PIPER ELEMENTARY SCHOOL - CMIP 1615

Synopsis: A resolution declaring the necessity and authorizing a survey of lands for the 131st & Leavenworth Road Improvements for Piper Elementary School, CMIP 1615, submitted by James Bain, Assistant Counsel.

James Bain, Assistant Counsel, said as stated this is a resolution authorizing the survey for the

131st & Leavenworth Road Improvement Project. With me is Project Engineer, Dave Clark, to show the map and answer any questions.

Dave Clark, Project Engineer, said the improvements are at 131st & Leavenworth Road. They will include an overlay of the existing pavement, new curb and gutter, a multiuse path, new storm sewers and new street lightening.

June 17, 2019

Commissioner Kane asked how far to the east and how far to the west are we going to go? **Mr. Clark** said it will go, well, just where those black lines basically indicate, just along the frontage of the new school. **Commissioner Kane** said okay, but don't you think that we need to go a little bit further both ways, especially to the west? I mean you're talking about an area that's going to have lots of traffic in short order two times a day. I would think that that would not be enough ground to accommodate everybody turning in and turning out of the school. **Mr. Clark** said well, this is my understanding what's on the scope at this—**Commissioner Kane** said that's not what I asked. I guess what I'm asking staff, Melissa, hello. **Chairman Bynum** said, Commissioner, we have the Deputy Public Works Director. **Commissioner Kane** said perfect. **Melissa Sieben, Assistant County Administrator**, said, Commissioner, I would just go ahead and state what your question directly is. I'm assuming it's about traffic and stacking.

Commissioner Kane said west of 131st Street where it looks like we're only going to go a little ways; I think we should go a significant distance further than that just to allow for the people to turn off of 131st Street and into and out of the new school. **David Young, Deputy Public Works Director**, said we agree, we would love to do more in this area. We have a limited budget. We're willing to go back and look at alternative proposals, maybe taking away some curb and gutter and doing more pavement but this is a very expensive project. I'm happy to have a conversation with you specifically. **Commissioner Kane** said maybe we could chat with the school district to see if they could help us a little bit on that. I mean it's their school. If we need to come up with some more monies, because what's going to happen is, once they open then we're going to identify an issue pretty damn quick and then we're going to say, well, we should have done the rest of it in the first place. I would hope that we would try to find some more monies for that. **Mr. Young** said point taken Commissioner.

Commissioner Philbrook said real quick question, so in this drawing I see what you're showing. Is that a legal description somewhere in there about exactly how far east and how far west we're going, just asking, you know involved in this particular drawing, or are you just looking to see, if you get permission, to look at the properties so you can widen it or both? **Mr. Young** said we do have engineer prints with us for the project, but basically these are the bounds of the project, but what we're requesting is the ability to start down the path of engineering. We would come back,

identify everything and do the procurement process. **Commissioner Philbrook** said okay.

Chairman Bynum said tonight's agenda item is a survey for what's planned for right now. Keeping in mind that Commissioner Kane makes a good point that we may want to see what more we can add to the scope, as that would allow us to move forward tonight.

Commissioner Kane said Angela may have been here. Several years ago, we set several million dollars aside to do the work at 131st & Leavenworth Road and when the school bond issue didn't pass, somebody ate the money, but we had it set up in the first place. This ain't your fault. This was long before you got here, but this was a heck of long time ago, to where we said we're going to do this with the school district just like we need to do at 99th & Parallel. It's the same thing. We need to work in conjunction there and here.

Chairman Bynum said if I'm hearing staff correctly, you are willing to go back and see what additional scope can be added given again the constraints of the budget and then as Commissioner Kane, maybe it's a sit down with Piper School District to see if they can add any funds to the extension of street improvements, curb, guttering and sidewalks. I would ask that we do that fairly quickly so that we can know how much extension we can have, but then in the meantime, I would also ask this committee to approve the survey that's on tonight's agenda.

Commissioner Philbrook said just for clarification, to make sure we're going in the direction or at least of knowledge that we're after, how much extra would it cost us to look at with the survey to expand those, just in the survey to see what's available? How much it'd cost us if you expand it east and west, just asking? **Mr. Young** said the process that we're using, we go through, we identify the scope of the project and the project budget. That's been put forward and approved. The next step is to go out and do survey on the property and identify what land needs to be—any easements or acquisitions for right-of-way. That's the stage we're at now. During this stage we can come back and put together an additional budgetary estimate and identify additional funding. That would not change the project. It would still go through the same process. We would come back then with an addendum to this. If we're going to further north, further west, whatever, we would still go through the same process.

Commissioner Philbrook said I was just trying to make sure that other folks understood as well as myself, excruciatingly plain, the extent that we have to go through to do this kind of work. There's a lot of steps to it. It's not just one step. We've already approved this particular thing so now we can move forward. We would have to approve an additional expansion before we could do anything else. Is that correct? Okay. **Mr. Bain** said well, just to clarify that question, we do not—at this stage we do not have to identify the exact properties. This is authorizing the survey that will tell us what properties that we may need to acquire. **Commissioner Philbrook** said if you decide to add some length on to that, it would fit within this scope to look. **Mr. Bain** said yes, it would. **Commissioner Philbrook** said are you hearing me, Mike. Okay. I just wanted to make sure that we all understood that.

Action: **Commissioner Kane made a motion, seconded by Commissioner Philbrook, to approve.** Roll call was taken and there were six "Ayes," Groneman, Philbrook, Markley, Kane, Johnson, Bynum.

Item No. 2 – 19793...RESOLUTION: EASTERN KANSAS MULTI-COUNTY TASK FORCE AGREEMENT

Synopsis: A resolution approving a Reciprocal Investigation Intergovernmental Local Agreement with the Eastern Kansas Multi-County Task Force, submitted by John Droppelmann, Fire Marshal. This task force provides investigative assistance for large, complex fire incidents.

Kathryn Devlin, Assistant Counsel, said we are here asking for a resolution authorizing Mr. Bach to engage in an interlocal for the Eastern Kansas Multi-County Task Force. The purpose of this task force is to assist other jurisdictions with fire investigations and if you have any questions, Mr. Droppelmann is here.

Commissioner Philbrook said but it's a reciprocal type thing. If we get really busy, they'll come in and help us. **John Droppelmann, Deputy Chief/Fire Marshal,** said exactly. This has existed since the 90s. Municipalities have come and gone and every time that's happened we've had to—every jurisdiction that's left has had to resubmit this for the Mayor's signature to approve that.

Shawnee, who the fire marshal there who runs the Eastern Task Force, their attorneys got together and figured out a better way to do this in the future that it doesn't have to go through—Katie can explain that. **Ms. Devlin** said this is an interlocal agreement between municipalities which doesn't require AG approval and in the past, they had required AG approval. **Mr. Droppelmann** said they found a different way to submit it. Now, it won't have to be signed again unless we want to back out of it. If any, Miami—wants to join this time. This kind of started this whole thing up now. Interlocals will be able to join us or separate from us without everybody having to resubmit all this over and over again. **Commissioner Philbrook** asked who, the attorney general. Is that what you said. **Mr. Droppelmann** said yes, the attorney general. **Commissioner Philbrook** said I just wanted to make sure everybody understood what you were talking about. The state. Okay. That means we get to handle things between us. Amen.

Action: **Commissioner Philbrook made a motion, seconded by Commissioner Kane, to approve.** Roll call was taken and there were six “Ayes,” Groneman, Philbrook, Markley, Kane, Johnson, Bynum.

Item No. 3 – 19806... REQUEST: FISHER PARK FITNESS COURT

Synopsis: Request to construct a national fitness court at Fisher Park, located at 39th Street and Fisher Avenue, submitted by Jeremy Rogers, Director of Parks & Recreation. On May 9, 2019, the Commission unanimously voted to refer a similar request back to standing committee to find an alternate location besides Huron Park.

Chairman Bynum said I would just say last month, I believe it was last month, this committee did approve this fitness court in a different location and unbeknownst to me at that time the commissioner for the district and the neighborhood group in the immediate area, neither of them liked that idea. That is why we took action at a full commission meeting to rescind that. I apologize for that by the way. Then we had Jeremy and Angel go back and find us a new location which they have done so here we are tonight.

ABOUT THE PROJECT

- Parks and Recreation received a small grant from the National Fitness Campaign to bring free fitness to our community
- The UG Parks and Recreation Department has partnered with Latino Health for All Coalition to raise funds
 - Since 2008, LHFA primary project focus has been in what they consider the "Healthy Community Corridor" which is a population total of roughly 84,765
 - For several years the Coalition has worked to improve parks in Wyandotte County by installing exercise stations, practice soccer fields, and improving other amenities such as walking trails
 - The goal is to promote healthy living by increasing the number of people who use parks and engage in more vigorous physical activity
- The fitness court is a unique exercise platform designed for parks and community spaces providing an accessible and FREE way to get healthy and stay fit
- National Fitness Campaign's outdoor bodyweight circuit-training system features a series of full-body exercises that can be completed in just seven minutes
- The Fitness Court accommodates a variety of skill levels and abilities at each station, from beginner to expert.

Jeremy Rogers, Director of Parks & Recreation, said as Commissioner Bynum said, we were here last month and presented to you where we thought this should go and for various reasons, we were tasked with reassessing that and that's exactly what we did. Just to reiterate what I talked about last month, the fitness court, we received a grant from the National Fitness Campaign to

June 17, 2019

build this fitness court. We partnered with the Latino Health for All Coalition as well as several other groups in Wyandotte County and part of that partnership was to build this fitness court within the Healthy Community Corridor. That's the map right there. There's several parks within that district and with Wyandotte County finishing almost last in almost every health ranking, it's very important that we provide fitness, especially free fitness, to our citizens and that's what this does.

This fitness court allows individuals to use their bodyweight. There's an app for their phone that they scan and it takes them through different various stations and whatnot. After all of our evaluations of parks within this healthy corridor, we determined to put it at Fisher Park. I'll let Angel talk to you about Fisher Park.

Angel Obert, Recreation Division Manager, said some of the reasons why our recommendation is Fisher Park is there's a trailhead nearby. Part of the requirements for the National Fitness Campaign is that this fitness court be installed within close distance of a trail. It meets that requirement. Fisher Park's a highly used trail. It's great visibility as far as vandalism and we know we'll be seen from the street.

There is a water fountain onsite. We believe that there is community support here at Fisher Park for this fitness court and then it's also in the Healthy Community Corridor so meeting the requirements of the Latino Health for All Coalition.

Commissioner Philbrook said other than telling everybody where Fisher Park is, I'm giving the real address because not everybody knows where that is. **Chairman Bynum** said Fisher Park is located in Rosedale at 39th & Fisher and I will recognize Erin Stryka at the podium.

Erin Stryka, Rosedale Development Association, said I wanted to talk a little bit about Fisher Park in general and then this proposal. You may know the neighbors around Fisher Park and RDA have done a ton of investing in this park over the last few years. Angel mentioned the water fountain and the trailhead. Both of those are things that the neighborhood raised money for and built. We also put in a quarter mile crush gravel trail that Parks generously resurfaced this last year, a fruit tree orchard and then last year we built a brand-new playground here. The neighborhood loves this park. They use this park. They're really active here.

To that end, I do want to ask just a couple of questions that have come up from neighbors as we've gone—the neighborhood has already kind of identified our next priorities for the park and they are first, the swing set. We removed the swing set as part of installing the new Fisher Park playground. The plan was to put it back but then once it was out it was old; it wasn't very good. I wanted to ask if there was a way for the swing set to be reinstalled as part of this project since we're going to be doing construction stuff out there anyway.

The other one is to change those two half basketball courts you see there into a full basketball court. That's been on the dream list for a long time. Again, just wondering if there's a way, while we're building this, to build a full basketball court.

I also wanted to talk about—the footprint up there is pretty easy to see. Jeremy just told me that it was about 30x30 and that's pretty small, but I just want to ask that we're really careful to leave as much open green flat space as possible because that open green flat space gets used a lot for soccer, football, neighborhood picnics and all of that.

Finally, there will be a community meeting on Wednesday that Angel's going to come speak about this. We weren't quite able to pull that together before this meeting tonight. My other request would be if you make a motion, if you vote on this tonight, if it's possible to say something like pending the results of that neighborhood meeting to hold off on a final decision until we get to talk officially. **Chairman Bynum** said what I will say, and we'll have Legal weigh in, but if we vote tonight, it will move to a full commission meeting. There is still room between here and there, which does leave room for your community meeting. **Ms. Stryka** said and people will get

to speak at the full commission meeting. **Chairman Bynum** said I believe they would. It would probably land on a consent agenda assuming that it has a unanimous vote here, but those items can be pulled at full commission meetings. Go ahead and weigh in if there's something to add on that. **Misty Brown, Deputy Chief Counsel**, said you've got the process down correctly. I do not believe that you can vote to advance something contingent on the neighborhoods meeting. The process you outlined is most appropriate. **Chairman Bynum** said okay, but I still think we can live within the parameters you're trying to put forward and we want to hear from the neighborhood; there's no question.

Commissioner Philbrook said I'm going to drop this back in Jeremy's lap. Some of the changes they're talking about making this, because I really don't know how the footprint totally looks when they get done, if you would be prepared to answer questions as to how much these additional things would cost. We have to look at that because we're looking this year not to expand as much because we don't have as much money coming in, you know, overall. I just want you to, you know, if you can be prepared to address the issue that Ms. Stryka brought forward so we can talk money as well. **Mr. Rogers** said yes, absolutely, I'll be prepared for that. On average a full court basketball court of this nature would be around \$30,000. **Commissioner Philbrook** said and so you would—well, I don't know how it would end up laying looking at this because that's a half court she said. **Mr. Rogers** said there's two half courts. We'd take up both of those to make one full court. **Commissioner Philbrook** said okay.

Chairman Bynum said Angel is going to be at your meeting. I'm hoping that you can work with them and answer the questions that they bring forward and we are satisfied at a minimum to have this fitness court. This is a time sensitive item, which is why we're pushing it, and you know it's got a deadline attached to it. Go ahead if you wanted to add something to that. **Ms. Obert** said yes, I'll be able to answer those questions on Wednesday as well, but I do just want to make note of the yellow box of where we think is the best fit for the fitness court and I'm familiar with the greenspace area that Erin's talking about and I would like to just say that where this fitness court would be would not interfere with that greenspace area. It's going to be set between those two trees. You know if you are playing soccer out there that tree would be in your line of play. That, you know is not an issue there. The reason for this location too is it still allows for potential growth

in this park if they want to add other amenities as well. We can cover that Wednesday. **Chairman Bynum** said thank you so much. Okay, thank you Erin. **Ms. Stryka** said thank you.

Action: **Commissioner Kane made a motion, seconded by BPU Board Member Groneman, to approve.** Roll call was taken and there were six “Ayes,” Groneman, Philbrook, Markley, Kane, Johnson, Bynum.

Adjourn:

Chairman Bynum adjourned the meeting at 5:22 p.m.

Sidewalk & Curb Replacement Incentive Program

Communications Plan

Objective & Goals

The communications goals and objective for this program have been developed to promote the Unified Government's Sidewalk & Curb Replacement Incentive Program. This plan is designed to make it easy for residents and property owners to beautify their neighborhoods through sidewalk & curb replacement.

Establish a consistent message

- Develop a pool of standard presentation and informational material within 90 days of policy approval.

Engage residents & property owners

- Distribute hard copy & digital informational updates across multiple Unified Government platforms and mediums.
- Respond to questions and concerns quickly and efficiently - ideally within one business day.
- Provide updates to Elected Officials and key stakeholders groups as needed.

Provide high-quality customer service

- Train staff to welcome and educate customers interested in the program.
- Train staff to assist customers participating in the program throughout their project's duration.
- Provide customers with a closed-loop customer service experience.
- Ensure all necessary Unified Government Departments are equipped to assist customers in obtaining answers to their program-related questions.

Tools & Outreach

The Unified Government has a variety of established tools available for engaging residents and property owners about the Sidewalk & Curb Replacement Incentive Program. Within 90 days of Commission approval, the following will occur to increase program awareness, engage the community, and encourage participation:

- Design a Sidewalk & Curb Incentive Program brochure for digital and print deployment.
- Establish a static educational/FAQ webpage on Public Works' portion of the Unified Government's website.
- Notify Neighborhood Business Revitalization Organizations and provide them with ready-made shareable content.
- Place an article in the Livable Neighborhoods Newsletter
- Work with Public Relations to feature the program in E-News, and prepare an article for distribution in The Citizen.

Sidewalk & Curb Replacement Incentive Program Policy

Program Elements

- The Unified Government will pay a qualified contractor approximately 50% of the average cost for sidewalk and/or curb replacement for permitted and inspected work. The property owner will pay the rest.
- The County Engineer, or his or her designee, will determine the payment rate according to current market rates for sidewalk and/or curb replacement.
- Payment rates may be adjusted annually to balance demand for the program, or to reflect changing construction costs.
- The program will be funded as a separate line item in the annual budget.
- Payment is limited to the extent of annual funds available on a first-come, first-served basis.

ORDINANCE NO. _____

An ordinance relating to Chapter 36 Used Goods, Article II Pawnbrokers and Precious Metal Dealers, amending Section 36-24, Section 36-25, and Section 36-47 and repealing original Section 36-24, Section 36-25, and Section 36-47 of the Code of Ordinances for the Unified Government of Wyandotte County/Kansas City, Kansas.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE UNIFIED GOVERNMENT OF WYANDOTTE COUNTY/KANSAS CITY, KANSAS:

Section 1. That Chapter 36 Used Goods, Article II Pawnbrokers and Precious Metal Dealers, amending Section 36-24 and Section 36-25 and Section 36-47 of the Code of Ordinances for the Unified Government of Wyandotte County/Kansas City, Kansas, to read as follows:

Sec. 36-24. - Report of property pledged or purchased; required holding period for precious metal purchased; report not open to public inspection.

(a) At the close of business each business day, every pawnbroker or precious metal dealer shall report the description of all property received in pledge or purchased as a pawnbroker or precious metal dealer during that day, in whatever quantity received. Such report shall include all property purchased as secondhand merchandise at wholesale, secondhand merchandise taken in for sale or possessed on consignment for sale and secondhand merchandise taken in trade. No such report need be made concerning property or merchandise acquired from another pawnbroker or precious metal dealer licensed in this state in a transaction involving the purchase or other acquisition from the other pawnbroker or precious metal dealer of the other pawnbroker's or dealer's stock in trade or a substantial part thereof in bulk, where the other pawnbroker has made the reports required by this section with respect to such property or merchandise.

(b) The report shall be submitted to the chief of police or his designee.

(c) Every precious metal dealer shall retain in the dealer's possession for a period of 10 days all precious metal purchased as a precious metal dealer, and such metal shall remain in the condition in which it was purchased. The 10-day period shall commence on the date that the police chief receives the report of its acquisition in compliance with this section. If the police chief has probable cause to believe that any precious metal reported by a dealer has been stolen, the police chief may give written notice to the dealer to retain such metal for an additional period of 15 days. Upon such notice, the dealer shall retain such metal in an unaltered condition for the additional 15-day period unless the police chief notifies the dealer in writing that the waiting period is terminated at an earlier time. In addition to a hold order, with probable cause, the

police chief may seize the item as evidence and hold the item in the Kansas City, Kansas Police property room until a court order regarding disposition of the property is issued.

(d) Every pawnbroker shall hold in the dealer's possession for a period of 10 days all property purchased as a pawnbroker, and shall note that on the report that the items or goods are a purchase not a pawn. In the event the police chief or his designee has probable cause to believe that any purchase property reported by the pawnbroker has been stolen, the police chief or his designee may give notice to the pawnbroker to hold such property for an additional period of 30 days. Upon such notice, the pawnbroker shall retain such property in an unaltered condition, in a segregated area away from any and all other property in pawn, or bear special markings identifying it and marking it in such a manner as to denote a police hold, on the licensed premises, unless the police chief or his property recovery unit notifies the dealer in writing that the waiting period is terminated at an earlier time. In addition to a hold order, with probable cause, the police chief may seize the item as evidence and hold the item in the Kansas City, Kansas Police property room until a court order regarding disposition of the property is issued. There shall be no hold for property purchased from the pawnshop and returned by the purchaser and accepted by the pawnbroker.

(e) Every pawnbroker shall hold in the dealer's possession all pawned property for 60 days that the police chief or his designee has probable cause to believe that the property is stolen and gives notice to the pawnbroker to hold such property. Upon such notice, the pawnbroker shall retain such other property in an unaltered condition, in a segregated area or so identified and tagged or marked in such a manner as to denote a police hold and away from any and all other property in pawn on the licensed premises. In addition to a hold order, with probable cause, the police chief may seize the item as evidence and hold the item in the Kansas City, Kansas Police property room until a court order regarding disposition of the property is issued.

(f) If the pawnbroker or precious metal dealer is advised, informed, or charged by any law enforcement agency or alleged true owner that the pawnbroker or precious metal dealer is in possession of stolen property the pawnbroker or precious metal dealers shall notify the police chief or the property recovery unit, the nature and all facts, and all records relating to the accusation.

(g) In the event that a pawnbroker or precious metal dealer is in possession of stolen property and the alleged true owner negotiates a reasonable settlement, it shall be the responsibility of the pawnbroker to notify the settlement to the chief of police or the property recovery unit officer in order to remove such reported stolen property from the National Crime Information Center or to contact the reporting agency to do the same.

(h) Reports made pursuant to this section shall be available for inspection only by law enforcement officers for law enforcement purposes only.

(i) Every pawnbroker or precious metal dealer shall maintain an electronic inventory-tracking system, which is capable of delivery and transmission of all required information pursuant to this article via computer to the chief of police or his designee using an internet website approved by the chief of police, or his designee. All required reporting pursuant to this

section shall be made by posting and uploading all transaction description records to the approved internet website as described in this section. All records postings and uploads shall be complete and accurate. Each licensee shall display a sign of sufficient size and in a conspicuous place on the premises informing patrons all transactions are reported to the police department through website postings.

(j) Reports which cannot be posted or uploaded to the police approved internet website as required by this section due to technical malfunction shall be posted or uploaded by 12:00 noon the next business day; and failing that, a hardcopy of the reports shall be delivered to the chief of police, or his designee, by 12 noon the next business day following the initial post or upload failure. Licensees shall continue deliver hardcopies of the reports to the chief of police or his designee, so long as website record post or upload failures persist.

(Code 1988, § 36-22; Ord. No. 65555, § 2, 8-2-1990 Ord. No. O-56-11, § 1, 12-1-11)

State Law reference— Similar provisions, K.S.A. 16-715.

Sec. 36-25. - Records of transactions.

(a) At the same time of making a loan, a pawnbroker shall maintain the record in a book kept for that purpose and enter the record electronically to an inventory-tracking system, which is capable of delivery and transmission of all required information pursuant to this article via computer to the chief of police or his designee using an internet website approved by the chief of police, or his designee or his designee:

(1) The date, duration, amount and charges of every loan made by the pawnbroker.

(2) An accurate description and photograph of the property pledged or purchased, including manufacturer's name, model name, model number, serial number and any other identifying marks. In the case of jewelry, all letters and markings inscribed thereon, along with approximate size, color, shape of all stones, must be included in the description.

(3) The full name, address, date of birth, age and photograph or copy of valid driver's license or other approved state identification, military I.D., alien I.D., or valid passport number must appear on the report filed with the police department. If the customer fails to provide identification or identifying information, the property will be held for a period of 30 days.

(4) All reports must be neat and legible in hardcopy and must be electronically submitted as required by this section.

(b) At the time of purchasing precious metal, a precious metal dealer shall enter in a book kept for that purpose and post and upload all transaction description records to the approved internet website as described in this section:

(1) The date of the purchase.

(2) A full and accurate description and photograph of each item purchased, including any identifying letters, numbers or marks on the item.

(3) The full name, address, date of birth, age and photograph or copy of valid driver's license or other approved state identification, military I.D., alien I.D., or valid passport number must appear on the report filed with the police department. If the customer fails to provide identification or identifying information, the property will be held for a period of 30 days.

(4) All reports must be submitted electronically to an inventory-tracking system, which is capable of delivery and transmission of all required information pursuant to this article via computer daily to the chief of police or his designee using an internet website approved by the chief of police, or his designee.

(5) A security camera/visual recording device shall be installed and operable to record the point of public entry or location of transaction at the pawnbroker's or precious metal dealer's place of business. The recording will be held for not less than 30 days.

(c) The records required by subsections (a) and (b)(1) thru (4) of this section shall be maintained by the pawnbroker or precious metal dealer at the pawnbroker's or dealer's place of business for not less than one year following the date of the transaction. The recordings required by subsection (b)(5) shall be held for not less than 30 days following the date of the transaction

(Code 1988, § 36-23; Ord. No. 65555, § 3, 8-2-1990 Ord. No. O-56-11, § 1, 12-1-11)

State Law reference— Similar provisions, K.S.A. 16-716.

Sec. 36-47. - Required; limitation on number issued.

(a) No person shall engage or continue in business as a pawnbroker or precious metal dealer without first obtaining a license from the license administrator.

(b) The unified government hereby authorizes and restricts the number of pawn broker licenses be issued pursuant to the authority of the license administrator under this section to a total of seven at any time. The unified government hereby authorizes and restricts the number of precious metals dealer licenses be issued pursuant to the authority of the license administrator under this section to a total of 15 at any time. The manner in which applications shall be accepted and processed are set forth in section 36-48 of this division.

AGREEMENT

This agreement entered into by and between the University of Kansas Medical Center, an agency of the State of Kansas, and the Unified Government of Wyandotte County/Kansas City, Kansas, a municipality formed and existing under the law of the State of Kansas.

WITNESSETH:

WHEREAS, the principle law enforcement agency in the City of Kansas City, Kansas, is the Kansas City, Kansas Police Department (KCKPD); and

WHEREAS, pursuant to K.S.A. 76-726 (2016 Supp.), as amended from time to time, and pursuant to K.S.A. 22-2401a (2016 Supp.), as amended from time to time, the University of Kansas, as part of the University of Kansas Police Department, employs a unit of commissioned law enforcement officers (KUPD), who exercise such authority and jurisdiction as granted by the laws of the State of Kansas; and

WHEREAS, in addition to and without limitation upon the other statutory grounds for KUPD officers to exercise the power and authority of law enforcement officers, K.S.A. 76-726 (2016 Supp.) and K.S.A. 22-2401a (2016 Supp.) authorize KUPD and KCKPD to enter into an agreement permitting KUPD officers to exercise the power and authority of law enforcement officers within the City of Kansas City when necessary to protect health, safety and welfare of students and faculty of the University of Kansas, as specifically provided in K.S.A. 76-726(a)(3) (2016 Supp.) and in K.S.A. 22-2401a(4)(c) and (4)(e) (2016 Supp.) and

WHEREAS, in addition to and without limitation upon the other statutory grounds for KUPD officers to exercise the power and authority of law enforcement officer, K.S.A. 22-2401a (2016 Supp.) authorizes KUPD officers to exercise the powers of law enforcement officers within the City of Kansas City when a request for assistance has been made by KCKPD, as specifically provided in K.S.A. 22-2401a(6) (2016 Supp.); and

WHEREAS, in addition to and without limitation upon the other statutory grounds for KUPD officers to exercise the power and authority of law enforcement officers, K.S.A. 22-2401a (2016 Supp.) authorizes KUPD officers to exercise the powers of law enforcement officers on the property owned or under control of the University of Kansas when a request for assistance has been made by KUPD, as specifically provided in the K.S.A. 22-2401a(2)(b) (2016 Supp.); and

NOW THEREFORE, in consideration of the exchange of promises, agreements and covenants set forth herein, it is hereby agreed by the parties that:

1. The term of this agreement shall commence on the date that it has been approved by the Chancellor of the University of Kansas and the Unified Government Board of Commissioners, and thereafter shall automatically renew annually unless terminated by either party in accordance with this agreement.

2. This agreement may be terminated at any time by providing thirty (30) days advance written notice to the following persons:

For the University of Kansas:

Chief Richard Johnson
University Of Kansas Police
University of Kansas Medical Center
Kansas City, KS 66160

with a copy to:

University General Counsel
Office of the General Counsel
University of Kansas Medical Center
Lawrence, KS 66045

and for Kansas City:

Chief Terry Zeigler
Kansas City, Kansas Police Department
700 Minnesota Ave.
Kansas City, KS 66101

with a copy to:

Unified Government Legal Department
Police Department Legal Advisor
701 N. 7th St., Ste. 961
Kansas City, Kansas 66101

3. The geographical scope of this agreement shall be the city limits of the City of Kansas City, Kansas, including all property within said city limits owned or operated by the University of Kansas, the University of Kansas Endowment Association, and the University of Kansas Hospital Authority.
4. The parties hereby agree that at any place within the limits of the City of Kansas City whenever a KUPD officer acting within the scope of his official duties as a KUPD officer reasonably believes it is necessary to protect the health, safety and/or welfare of students and/or faculty of the University of Kansas, such KUPD officer is hereby authorized to exercise any and all power and authority of a law enforcement officer as may lawfully be exercised by a KCKPD officer within the City of Kansas City. If a KUPD officer exercises this power to arrest or detain a suspect, KUPD shall complete all reports and records required by applicable law, and when such action

occurs outside the traditional jurisdiction of the KUPD, namely university property, KUPD shall forward all copies of the relevant reports, records and the like to the KCKPD. This provision is authorized by K.S.A. 76-726(a)(3) (2016 Supp.) and K.S.A. 22-2401a(4)(d) (2016 Supp.).

5. The parties hereby agree that if a KUPD officer is within the city limits of the City of Kansas City, but not within his normal jurisdiction as defined by statute, and has probable cause to believe a criminal act is occurring within the city limits of the City of Kansas City, the officer shall immediately notify the KCKPD, absent exigent circumstances, and shall assist the KCKPD if so requested. If exigent circumstances exist, this provision of this agreement shall be deemed a request by KCKPD for the KUPD officer to assist KCKPD by exercising any and all power and authority as may lawfully be exercised by a KCKPD officer, until such time as KCKPD is able to respond to the situation and determine which police department should continue to handle the situation; provided that, the KUPD officer shall notify the KCKPD as soon as is practicable under the circumstances. The parties further agree that if a KUPD officer is within the city limits of the City of Kansas City, but not within his normal jurisdiction as defined by statute, and has probable cause to believe a criminal act is occurring within the city limits of the City of Kansas City, the officer may exercise any and all authority to affect an arrest under the circumstances of and as provided for in K.S.A. 22-2401. This provision of this agreement is authorized by K.S.A. 22-2401a(6) (2016 Supp.) and K.S.A. 22-2401.
6. KUPD agrees that its officers shall transport and secure all persons arrested or detained by KUPD officers, pursuant to this agreement or otherwise, to the Wyandotte County JO-JIAC, Juvenile Detention Center, or other appropriate facility. This provision is authorized by K.S.A. 22-2401a(4)(d) (2016 Supp.).
7. The parties hereby agree that if a KCKPD officer is on property owned or operated by the University of Kansas, the University of Kansas Endowment Association, or the University of Kansas Hospital Authority and has probable cause to believe a criminal act is occurring on such property the officer shall immediately notify the KUPD, absent exigent circumstances, and shall assist the KUPD if so requested. If exigent circumstances exist, this provision of this agreement shall be deemed a request by KCKPD for the KUPD officer to assist KCKPD by exercising and all power and authority as may lawfully be exercised by a KUPD officer, until such time as KUPD is able to respond to the situation and determine which police department should continue to handle the situation; provided that, the KCKPD officer shall notify the KUPD as soon as is practicable under the circumstances. The parties further agree that if a KCKPD officer is on property owned or operated by the University of Kansas, the University of Kansas Endowment Association, or the University of Kansas

Hospital Authority and has probable cause to believe a criminal act is occurring on such property, the officer may exercise any and all authority to affect an arrest under the circumstances of and as provided for K.S.A. 22-2401. The provision of this agreement is authorized by K.S.A. 22-2401a(2)(b) (2016 Supp.).

8. The parties hereby agree that KUPD officers may exercise their powers as university police officers on the streets, property and highways immediately adjacent to and coterminous with property owned, occupied or operated by the Kansas University Health System. The provision of this agreement is authorized by K.S.A. 22-2401a(4)(b) (2016 Supp.).
9. The parties hereby agree that KUPD officers may exercise their powers as university police officers to patrol locations outside their traditional jurisdiction, bounded by Washington Boulevard, North 7th Street Trafficway, Barnett Avenue and North 3rd Street, as necessary to protect the health, safety and welfare of residents within the community and employees and clients of the University of Kansas Health System. KCKPD officers will respond to calls for service within the areas described above. The provision of this agreement is authorized by K.S.A. 22-2401a(4)(c) (2016 Supp.).
10. Nothing contained herein shall be deemed to be a limitation upon or restriction of any power or authority to act as a law enforcement officer granted to KUPD officers or KCKPD officers by any statute or other provision of law. This agreement is intended to extend the jurisdiction of KUPD and KCKPD as provided by law, and is in no way intended to limit any authority or power granted under K.S.A. 22-2401a (2016 Supp.) and K.S.A. 76-726 (Supp.) or any other provision of law.
11. Nothing in this agreement shall be construed as authorizing a KCKPD officer to violate the rules, regulations, policies, orders or directions of KCKPD or City of Kansas City. Nothing in this agreement shall be construed as authorizing a KUPD officer to violate the rules, regulations policies, orders or directions of KUPD, the University of Kansas, or the State of Kansas.
12. The parties hereto specifically agree that KUPD officers who may exercise law enforcement authority as contemplated herein are not and will not become employees or agents of the Unified Government, and nothing in this agreement shall be construed to create any relationship between and parties or their respective employees other than that of independent governmental entities cooperating with one another solely for the purposes of addressing the public policy concerns discussed herein and addresses in K.S.A. 22-2401a (2016 Supp.) and K.S.A. 76-726 (2016 Supp.) and carrying out the terms of this agreement.

13. The parties hereto specifically agree that at KCKPD officers who may exercise law enforcement authority as contemplated herein are not and will not become employees or agents of the University of Kansas Medical Center of the State of Kansas, and nothing in this agreement shall be construed to create any relationship between the parties or their respective employees other than that of independent governmental entities cooperating with one another solely for the purposes of addressing the public policy concerns discussed herein and addressed in K.S.A. 22-2401a (2016 Supp.) and K.S.A. 76-726 (2016 Supp.) and carrying out the terms of this agreement.
14. The parties hereto specifically agree and fully acknowledge that any and all KUPD officers who exercise authority or act as contemplated by this agreement will at all times be acting in the course and scope of their employment with the University of Kansas Medical Center and that any and all KCKPD officers who exercise authority or act as contemplated by this agreement will at all times be acting in the course and scope of their employment with the Unified Government.
15. If any provision of this agreement is found by a court of competent jurisdiction to be unenforceable, the other provisions of this agreement shall remain in full force and effect.
16. This agreement may not be amended or modified except by another written instrument signed by the party or parties to be bound thereby.
17. Each of the undersigned persons represents and warrants that he or she is authorized to execute this agreement on behalf of the respective party, and that he or she has the full power and authority to bind such party to each and every provision of this agreement.

IN WITNESS WHEREOF, the parties have caused this agreement to be executed by their duly authorized representative on the dates herein subscribed.

Item Description:

The Police Department and Sheriff's Office are requesting approval to apply for funding through the Federal Edward Byrne Memorial Justice Assistance Grant (JAG) program overseen by the Kansas Governor's Grant Program and the Kansas Criminal Justice Coordinating Council. The State has been allocated \$2.3 million for FY2020, and they are seeking "Pass-Through" entities for grant awards. As such, this is a competitive grant process. The Police Department will be requesting funding to support and expand drug enforcement, and both departments, Police and Sheriff, will be requesting funding to support and expand recruiting/hiring efforts. The performance period for this grant will extend from October 1st, 2019 through September 30th, 2020. There is no match required for this grant.
